

Hong Kong Shanghai Brain Consortium (HSBC)  
International neuro-oncology Symposium (live)  
October 21, 2022, 7:45 - 11:45AM (Shanghai and Hong Kong time)

**SCIENTIFIC PROGRAMME**

- 7:45 - 7:50AM **Welcome**  
Ying Mao, President, Huashan Hospital, Fudan University
- 7:50 - 8:15AM **Extent of resection in glioma surgery: the rationale for aggressive resections including incidentally discovered gliomas**  
Mitch Berger, UCSF
- 8:15 - 8:45AM **Novel therapeutics for gliomas**  
Patrick Wen, Dana Farber Cancer Center, Harvard University
- 8:45 - 9:15AM **Molecular delineation of glioma progression**  
Roel Verhaak, Jackson Laboratory
- 9:15 - 9:45AM Q & A
- 9:45 - 10:15AM **Molecular pathology of glioblastoma of the young**  
H. K. Ng, Chinese University of Hong Kong
- 10:15 - 10:45AM **AI Neuropathologist for Brain Tumour Identification**  
Dinggang Shen, Shanghai Technical University
- 10:45 - 11:15AM **AI-based radiomics application for precision medicine in glioma**  
Peter Zhifeng Shi, Huashan Hospital, Fudan University
- 11:15 - 11:45AM Q & A
